To whom it may concern.

I had the chance to appreciate the professionalism of David Orlandelli in many commercials executively produced by our company, Indiana Production.

He's always very attentive, helpful and with a great creative vision. His ability to work in teams and meet different demands makes him a valuable asset for film productions.

His international experience, his fluency in English and his human qualities are extremely useful during processing.

I highly recommend David Orlandelli as a Concept and Storyboard Artist.

Best regards,

Ferdinando Bonifazi
