David Orlandelli – Storyboard Artist

To whom it may concern,

I worked with David on the film " The Tourist" in Venice.

I found him to be a most imaginative, helpful and creative storyboard artist .  
Combined with great visual , and artistic drawings ,he was a wonderful partner in the  
preparation and during the production of the film.

I would not hesitate to call on him again , to be a collaborator on any project.

Yours Sincerely
