To Whom It May Concern,

I have had the opportunity to work with David Orlandelli as Storyboard artist on several projects produced or executive produced by our company, Panorama Films.

Projects range from the HBO/BBC series "Rome" to TV commercials for US clients including Coca Cola and AT&T.

David is always a great asset to the production. He has excellent communication skills and his fluency in English and Italian make working with him a logistical pleasure. His creativity and experience are top notch and add an important element to the planning of any production. He works quickly and can adapt to schedules & directors from around the world.

I highly recommend David as part of the team.

With Kind Regards,

Ute Leonhardt
